# A-Maze-ing Australian Animals

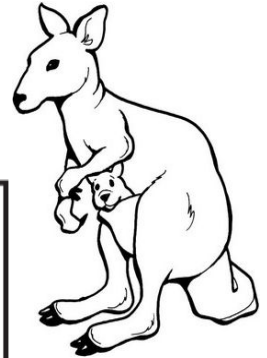

Puzzle by Guy Belleranti

**First:** Find your way through the maze by connecting letters to spell out the following Australian animal species.

WOMBAT,	BANDICOOT,	KOALA,	POSSUM,
KANGAROO,	SUGAR GLIDER,	WALLABY	

You may move forward, backward, up or down, but no letter may be connected more than once.

**Second:** Write the remaining unconnected letters in order in the blank spaces to find two interesting facts about these Australian animals.

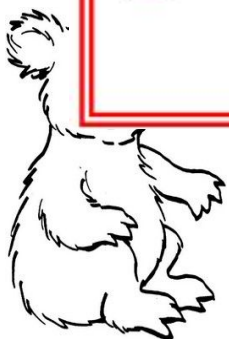

Start → W A L L A R E M A R O R S U

wh

The image shows a cartoon superhero with brown hair, wearing a red suit with a blue cape and a blue shield on his chest with the letters 'STW'. He is flying through the air, holding a basket of green apples. The entire scene is enclosed in a red rectangular border. Below the superhero, the word 'PREVIEW' is written in large, bold, red capital letters with a shadow effect, flanked by red decorative flourishes. Underneath that, a black text box contains the message: 'Please log in or register to download the printable version of this worksheet.' On the left side of the red border, the letters 'wh' are written vertically.
