

Name: _____

Letter J,j

Trace the letter J,j.

Tracing practice for uppercase J and lowercase j. The first row contains three sets of the letter pair (J,j) with numbered arrows (1 and 2) indicating stroke direction, followed by three sets of dashed letters for tracing. The second row contains one set of the letter pair with stroke guides, followed by two sets of dashed letters for tracing. The third row contains a single dashed uppercase J and lowercase j for tracing.
