Management tips

1. You can have the kids work by themselves or with partners.
2. Don't be afraid to hide the facts in tough places. Kids think it's more fun when they have to search around a little.

Examples of good hiding spots might include:

- sticking out of a book, like a bookmark
- the back of the classroom door
- laying flat on the bookshelf
- on the back of the teacher's chair
- on the side of your computer monitor

3. Have a plan for students who finish early. You may want to have an assignment for them to complete when they're done, or you may have them help other students find Word Cards.
