# Last Day of School

It's the last day of school! Think about your past school year, and answer the following questions. Use your best handwriting, punctuation, spelling, and grammar, to show what you've learned this year!

What was your favorite subject this year, and why?

---

---

---

---

Who did you become friends with this year? Why did you choose to become friends with them?

---

---

---

---

What are you looking forward to learning about next year?
