# ELA Buzz

Is your favorite time of the day bedtime? Maybe not. But sleeping is one of the most important things you can do to help your body. All animals need sleep!

Sleeping helps your body and your brain grow. Sleeping also helps you stay healthy. When you sleep your body gets the rest it needs.

Babies and toddlers need to sleep the most. Babies need to sleep for 12 to 16 hours. That's a lot of sleep. Toddlers need 11 to 14 hours of sleep. Most babies and toddlers take naps during the day.

Kids need to sleep for 9 to 12 hours. Are you
