★☆☆☆☆ It's a shame "zero" isn't an option!

This phone's personalization is awful. Only three lockscreen/background combinations can be stored at once. The manufacturer also only provided a handful of uninspired phone colors to choose from, so a decorative case is a must. And that only scratches the surface!

Are you a hopeful photographer? Just a normal person who likes making memories with your phone? The basic features and filters are laughable. There are more capable models, but only if you're capable of shelling out big bucks!

Worst of all: battery life! All batteries degrade after multiple recharge cycles, but this one's lifespan is a fraction of its competitors. Its ability to hold charges is a joke too. Better keep a portable charger handy 24-7!

Which was not one of the author's purposes?
