### About Your Spelling Words

A singular noun refers to a person, place, or thing. A plural noun describes more than one.

Usually plural nouns can be made by adding -s or -es to the end of the singular noun. However, this week's spelling words are *irregular* plural nouns. This means the spelling of the word looks different when you change the singular noun into a plural.

- Look at each of your new spelling words. Write the letter **S** next to each singular noun. Write the letter **P** next to each plural noun.
