

Penelope Peabody

Lost in the
United States

Last night I pitched a tent and went camping in Rocky Mountain National Park. I went hiking and fishing and even saw some real glaciers!

Today I'm going to participate in the Pikes Peak International Hill Climb. The locals call this race the "Race to the Clouds" because contestants race their automobiles to the top of a tall mountain. I'm going to reach the summit before anyone else!

Tomorrow I'm off to the Mile High City to catch an Avalanche hockey game.

Do you know which state I'm visiting?
