Tree House Tools

By Liana Mahoney

Had a hammer on my belt loop,
but I couldn't find the nails.
Set the hammer down to find them,
Now it's lost. It never fails!

And, in looking for the hand saw,
I have nothing left to cut.
I misplaced the lumber somehow...
Seems I'm really in a rut!

Can't believe how long it's taking
Or how much it's going to cost.
But my hands will build this tree house –
They're the only tools not lost!

Add quotation marks and a comma where needed to make the sentence correct.

Let's play in the tree house Emory said.

Circle the prefix.

misplaced
