Name: _____

Titanic Timeline

Instructions:

Cut out the boxes of important events. Glue them in order on the timeline. Then write a passage to go along with your timeline that describes the sequence of events. You may change the wording, use transition words, add connecting ideas, and use any additional details you can think of to help make your writing flow well.

The final
passengers

Workers
in Belfast,

At about
4:00 a.m.,

Work on
the *Titanic*
