# Wheel Scavenger Hunt

Let's look for some wheels! With the help of an adult, decide where you should look for objects with wheels. Put an **X** in the box next to the location you will do your scavenger hunt.

- at home       outside       looking out my window  
 at school       other: \_\_\_\_\_

In each box below, draw an item you found that has wheels.  
Write the number of wheels the item has on the line below the box.
